[Bachelors of Technology
- Computer Science]

Senior Secondary (Science)

Step By Step Sr Secondary School

2014 - 2015

Alwar, Rajasthan

Secondary

Silver Oak School

2012 - 2013

Alwar, Rajasthan

PERSONAL PROJECTS

Online Music Streaming Service (07/2021) 🔗

- Took inspiration from Jio Saavn and to gain more exposure in my skill-set, implemented this in pure Javascript, HTML and CSS and deployed in **Netlify**.
- **Open-sourced my** scraping solution built on top of **Puppeteer** and exposing this data via API's. In this space I am scraping jio-saavn homepage to get list of all playlist, album and songs details, storing this data in **MongoDB** for 24 hours and fulfilling upcoming request via APIs written in **NodeJS**. These APIs are deployed and served on **Heroku**.
- Enhanced the service capability by providing download song support, made the website responsive via **Media Queries**.
- [GitHub-URL](#)

Budget Tracking Service (06/2021) 🔗

- Service which provides quick tracking of your monthly expenses by categorising them into Income and Expense bucket. To gain more exposure in CSS and HTML skills implemented this project and deployed in **Netlify**
- [GitHub-URL](#)

Recipe Search Portal (05/2021) 🔗

- One-Stop destination for all your recipe needs.
- Quickly search through wide varieties of cuisines and get recipe on the fly.
- Vanilla JavaScript and HTML application that interacts with 3rd party APIs to provide recipes for searched food items.
- [GitHub-URL](#)

Virtual Admission App (2018)

- Inbuilt with all major procedure for admission with college /school premises images and videos.

Scientific calculator(2017)

- Inbuilt with all Arithmetic calculations

TECHNICAL SKILLS

HTML5	●	●	●	●	○
CSS	●	●	●	●	○
Javascript	●	●	●	●	○
C	●	●	●	○	○
MongoDB	●	●	○	○	○
NodeJS	●	●	○	○	○

ACHIEVEMENTS

Attainment of getting best student award in the year 2008-2009

Public speaking:- Actively participated in international conference (ETSEM-2018) held in our college premises
